

Ramona Real Estate Association Membership Application / Renewal

Membership dues of \$75 are paid annually and run for the elective year Dec. 1st to Nov. 31st..

An additional \$25 will add the Applicants website link and photo to our website membership roster. Member is responsible for providing a head-shot and the URL of the website.

This form is a curtsy for potential members needing to submit a paper application to a corporate entity for reimbursement or direct payment. Your canceled check serves as a receipt of payment unless payment is made through our electronic payment system on RREA.org/make-payment in which case the system will email a receipt of payment to the email address listed at the time of the payment.

Membership is not verified as active until payment is received. If a corporate entity is making payment on behalf of the member, the applicants name must be made clear on the submitted check or notated on the ePayment. The Applicant is still responsible for filling out the RREA Membership Renewal form at RREA.org/join-rrea which will place them in our email system for Association updates, events and reminders.
